

Technical drawing of a rectangular plate with dimensions and hole locations. The plate has a total width of 500 and a total height of 1450. There are four vertical holes, each with a diameter of 56. The holes are located at a distance of 56 from the left and right edges. The vertical distance between the centers of the holes is 250. The holes are located at a distance of 56 from the top and bottom edges. The drawing shows the plate with a yellow border and a gray interior. The dimensions are labeled in magenta. The hole locations are marked with circles and squares.

Technical drawing of a staircase showing 15 steps. The drawing includes a side elevation and a top-down view. The side elevation shows the steps with a height of 85 units and a width of 500 units. The top-down view shows the steps with a width of 572 units. The drawing is labeled '1511' on the right side.

Technical drawing of a staircase section showing two views: a side elevation on the left and a plan view on the right.

**Side Elevation (Left):**

- Shows a staircase with 6 steps.
- Each step has a riser of 150 mm and a tread of 300 mm.
- The total height of the staircase is 900 mm.
- The drawing includes dimensions for the steps, the landing, and the overall dimensions of the staircase structure.

**Plan View (Right):**

- Shows the staircase layout from above.
- The total width of the staircase is 410 mm.
- The total depth of the staircase is 500 mm.
- The drawing includes dimensions for the steps, the landing, and the overall dimensions of the staircase structure.
