

Technical drawing of a site plan for a residential development, overlaid on an aerial photograph. The plan shows several building footprints, parking areas, and green spaces. Red lines and labels indicate planned infrastructure, including drainage (dren), water supply (wz), and sewerage (ow). Yellow circles and rectangles highlight specific features like manholes and utility structures. Various alphanumeric codes (e.g., 10-609/2, 10-536, 10-490) and elevation points are scattered throughout the plan.
